- SOC / Inland REOC remains activated in support of 2014 Drought

WEATHER

WEATHER SYNOPSIS BY REGION:

NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:

Eureka Weather:

Scattered to isolated showers will linger through the day today into tonight. Another storm system will enhance shower activity on Friday into Friday night.

San Francisco Weather:

A few showers can be expected today but a more organized frontal system will move across California on Friday for more rain. Unsettled conditions will persist over the district through the next week.

CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY

Sacramento Weather:

A few lingering showers today with another Pacific frontal system bringing rain and high elevation snow into northern California late Friday into Saturday. Next system for precipitation chances moves through late Sunday into Monday. Break in the wet pattern Tuesday/Wednesday except slight shower threat in the northern mountains. Return of wet pattern next Thursday. A little above normal temperatures throughout the next week.

Hanford Weather:

A weakening storm system off the northern California coast will generate isolated to scattered showers from Fresno County northward through early this evening. Dry weather is expected for the rest of tonight through midday Friday with patchy late night and morning fog in the San Joaquin Valley. Another weak storm system may bring some showers into the Central California interior mainly north of Kern County later Friday and Friday night.

WEATHER

WEATHER SYNOPSIS BY REGION:

SOUTHERN CALIFORNIA:

Los Angeles Weather:

Isolated showers with some radiational fog this morning will give way to partly to mostly cloudy skies thru Friday morning. Another system will bring light rain showers north of Point Conception late Friday afternoon and isolated light showers towards Los Angeles through early Saturday morning. Then dry and warmer weather is expected into early next week with a hint at another potential stronger storm system late next week.

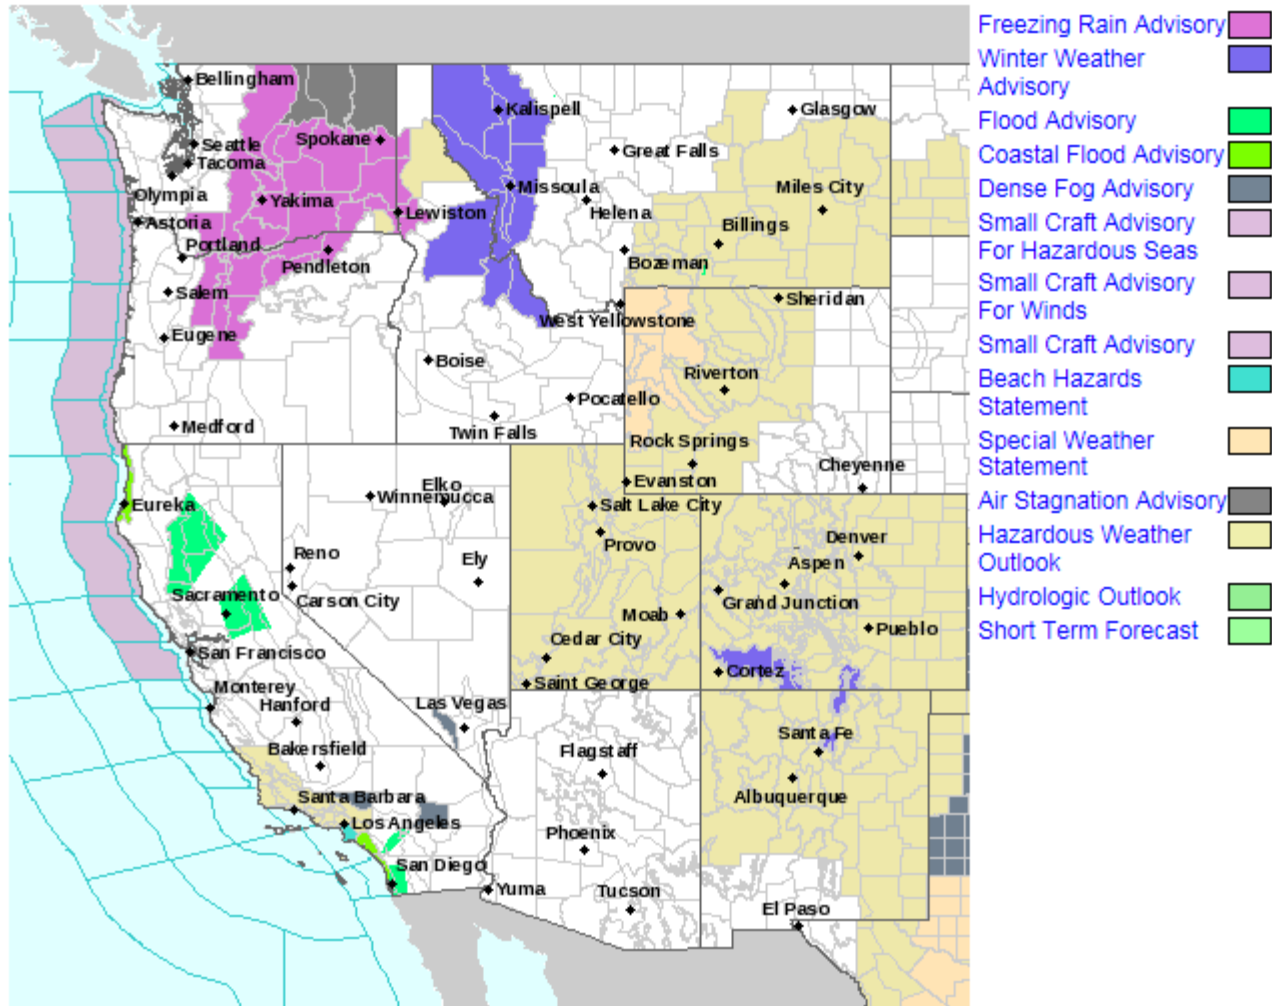

Extreme Southwestern California Including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:

Showers will continue along and west of the mountains into this morning and may linger near the mountains into early evening. There is another chance for mainly light showers for Friday night and early Saturday. This will be followed by dry and warmer weather through next Wednesday.

Southeast California Weather:

Deep subtropical moisture will result in widespread low clouds and fog as well as light rain mainly south of Interstate 15 this morning. Improving conditions are expected by this afternoon with high pressure building in Friday. Another system may bring light showers to the area Friday night into Saturday with dry conditions returning Sunday into early next week.

RECOVERY ACTIVITIES

Boles Incident Vegetation Fire- City of Weed, Siskiyou County

Recovery Activities

- On 10/01/14, the U.S. Small Business Administration (SBA) approved a disaster declaration making SBA assistance available in the primary County of Siskiyou and the contiguous counties of Del Norte, Humboldt, Modoc, Shasta, and Trinity, making low-interest federal disaster loans available to homeowners, renters, businesses of all sizes and private nonprofit organizations whose property was damaged or destroyed by the Boles Fire. The application deadline for property damage was 12/01/14. The deadline to return economic injury applications is 07/01/15.
- On 10/06/14, the Governor issued Executive Order (EO) B-27-14, which provides CDAA, and debris removal assistance, including the suspension of rules and regulations impacting debris removal. The EO also provides the ability for nonprofit organizations to seek reimbursement for extraordinary activities through the State Private Nonprofit Organizations Assistance Program.
- The Cal OES VAL continues to coordinate and participate in Long Term Recovery Group (LTRG) meetings with NGO, Faith Based, and local agencies. Shasta Community Foundation was identified as a fiscal agent for the group. Individuals needing assistance should be directed to the Family & Community Resource Center of Weed located at 260 Main Street, Weed. Funding organizations will assist with unmet needs through the case management process. The VAL continues to work with the Weed LTRG in identifying resources and gaps in services.
- The VAL participated in a meeting with the CA Human Development agency and the Great Northern Services (GNS) to discuss potential use of drought funding to assist fire survivors with rental and utility payments. GNS identified a gap in rental and utility assistance of \$65k. The information was forwarded to the California Housing and Community Development and Siskiyou County for consideration. On 11/20/14, CA Human Development notified Cal OES and GNS that funding to assist residents was approved. CA Human Development will work with GNS and the LTRG to identify families needing assistance and subsequently meet individually with the families. Payments will be made directly to the landlord and or utility company. CA Human Development has requested assistance from GNS in identifying office space to meet with clients. The rental and utility needs of residents affected by the Happy Camp fire will also be captured.
- The College of the Siskiyou's website contains a Fire Resource List of various local agencies offering goods and services. The document can be found at <http://www.siskiyou.edu/humanresources/documents/fireresourcelist.pdf>. Additional information on recovery efforts can be found at <https://weed.recovers.org/>.
- Non-perishable food donations are being accepted at 310 Boles Street.
- The hazardous tree removal process is expected to be completed by 12/15/2014, weather permitting.
- Debris removal for all participating properties is complete. All sites have been tested and have met the cleanup goals for the project.
- On 10/28/14, the City of Weed reestablished water pressure to its downtown area; however, the water storage capacity for fire suppression is still lacking. The City expects water storage to be restored by 12/31/14, or sooner if the weather permits.

RECOVERY ACTIVITIES

To date:

- 134 Sites registered for the removal project (Right-of-Entry, includes library, community center and 2 churches).
- 11 Sites denied entry.
- 134 Sites documented.
- 134 Asbestos surveys completed.
- 65 Sites with asbestos containing material.
- 65 Sites cleared of asbestos containing material.
- 134 Debris removal completed.
- 134 Sites sampled.
- 136 Sample results approved.
- 136 Sites with erosion control completed.
- 136 Sites approved by City of Weed as ready for a building permit.

RECOVERY ACTIVITIES

Magnitude 6.0 Earthquake, American Canyon, Napa County

- Cal OES and FEMA announced that the Major Disaster declaration for the South Napa earthquake will also include the Individuals and Households Program under the Stafford Act. This amendment makes assistance available to help homeowners and renters recover from the earthquake.
- Low-interest federal disaster loans are now available to California residents and business owners as a result of President Obama's major disaster declaration. The declaration covers Napa and Solano counties as a result of the South Napa Earthquake and aftershocks that occurred August 24 – September 7, 2014.

Recovery Activities

- Sixty-one (61) RPAs were received and ten (10) have withdrawn for a total of fifty-one (51) RPAs submitted to FEMA. Forty-eight (48) Kickoff Meetings have been completed. There are two (2) kickoff meetings yet to be scheduled: one (1) for an approved PNP and one (1) for a special district. One (1) PNP is currently in the eligibility review queue. It is currently anticipated all kickoff meetings will be complete by 12/05/2014.
- The FEMA and State VAL continue to work with nonprofit organizations in Napa County regarding Long Term Recovery efforts and the need for a LTR group. Local representatives are meeting to discuss previous efforts by the initial LTRG that is no longer operational.
- Cal OES IA Voluntary Agency Liaison (VAL) continues NGO coordination in Solano County. The Vallejo Earthquake Recovery Group (VERG), a long term recovery group, has formed and has established by-laws and elected an Executive Board. United Methodist Committee on Relief (UMCOR) will provide case management training to local organizations in Napa and Solano counties.
- Assistance Centers – The County and City of Napa: Local Assistance Center (LAC) opened on 09/08/14 at 301 1st Street, Napa (corner of 1st Street and Silverado Trail). On 10/29/14, FEMA and SBA provided representatives in the Napa LAC. The operational hours for the LAC are Monday - Friday 9 AM to 6 PM; Saturdays 9 AM to 4 PM; Sundays closed. The Disaster Recovery Center located at 1155 Capitol Street in the City of Vallejo officially closed at 6 p.m. on 11/25/14, and on Monday, 12/01/14, SBA opened a Disaster Loan Outreach Center (DLOC) at the John F. Kennedy Library, 505 Santa Clara Street, 3rd Floor, Vallejo. The operational hours for the DLOC are Monday – Thursday 10 AM to 6PM; Fridays 10 AM to 5 PM. Both the LAC and DLOC are open until further notice.

CAL OES 2014 DROUGHT

Cal EOC Incident – 2014 Drought

- The SOC, Inland, Coastal, Southern REOCs and the Santa Barbara County EOC are activated in support of the Drought State of Emergency and continue to monitor the situation.
- The Governor issued an Executive Order on 09/19/14, to streamline relief efforts for families with drinking water shortages due to drought. Specifically, through the California Disaster Assistance Act, to provide temporary water supplies to households without water for drinking and/or sanitation purposes.
- CDAA 2014 Drought Fact Sheet and Frequently Asked Questions provided to Regions for reference and distribution.
